Latest Experience

Freelance 2017 - Present

Young Planet

Design / Creative Direction

Led creative across all channels in a deadline driven environment for advertising, physical, video, social, merch and web, doubling growth in views and sales.

You Play Here

Interactive Web Design

Designed interactive website for documentary film decreasing bounce rates. Collaborated with developer from prototype to deployment.

Metropolis Libros

Graphic Design

Collaborated with Metropolis Libros designing Diego Chami's latest book of short stories.

Number Station Records

Logo Design / Branding

Created logo, animations and brand guidelines for Number Station Recordings.

Other Experience

Ace Hotel NY

Lead Guest Service Attendant

Managed a 6 person team, handled complex / highly sensitive requests for an ever evolving network of high profile clientele.

Chung King Studios

Audio Engineer / Operations Manager

Spearheaded recording sessions: setting up instruments, mic placements, patched gear, tracked vocals, conducted full mixes of songs, printed passes, secured backups and recalls.
